Sir:

Applicant herewith transmits the accompanying references for review by the Examiner. These references were cited by the European Patent Office in reviewing the claims of a corresponding European patent application. A copy of the search report is enclosed. The Patience et al reference was previously submitted in an earlier disclosure and so is not part of this submission.

Applicants request that the Commissioner charge any fee for this extension of time, or credit any overpayment, to Deposit Acct. No. 03-0678.
